

# How do you think your use of the crossings will change?

- Of the 20% of all respondents who indicated that they thought their travel patterns would change, well over half (57%) indicated this would be using the crossings less frequently.
- Among 15% of Tag users who also indicated they would travel differently, 71% indicated they would travel less frequently. A similar number of both the total sample and Tag users indicated they would travel more frequently.
- 11% said they would travel at a different time of the day (up from 7%). The number of those using public transport would increase on balance by 6% and 9% for Tag users.
- 6% of the total sample and 10% of Tag users indicated that they would walk and cycle more (up from 4% from 2022)
